2. Tampilan awal

3. Tampilan ke dua sebelum order pesanan

The screenshot shows the AdminLTE v4 | Dashboard interface for Sultan.com. The main content area is titled 'Order' and displays a product from the 'Minuman Coffee' category. A single item, 'Minuman coffee' at Rp 10.000, has been added to the cart. The cart summary on the right shows one item with a total of 0. A 'Submit Order' button is visible. The sidebar on the left includes links for Dashboard, Category, Product, Member, Order, and Order Detail.

4. Tampilan ke tiga setelah memesan

This screenshot shows the same order management interface after adding more items. The cart now contains three items: 'Minuman coffee' (1 unit, Rp 10.000), 'Minuman' (1 unit, Rp 5.000), and 'Nasi' (1 unit, Rp 5.000). The total amount is displayed as 'Total Rp 20.000'. The rest of the interface remains consistent with the first screenshot.

5. Tampilan ke empat konfirmasi pesanan

The screenshot shows a web application interface for an ordering system. On the left, there's a sidebar with navigation links: Dashboard, Category, Product, Member, Order, and Order Detail. The main content area has a title 'Order' and a sub-section 'Minuman Coffee'. It lists items: 'Minuman coffee' at 'Rp 10.000' with an 'Add' button, and 'Minuman' at 'Rp 5.000' with an 'Add' button. Below this is a section for 'nasi' with a 'Nasi' item at 'Rp 5.000' and an 'Add' button. A modal window titled 'Konfirmasi pesanan anda' displays the message 'Total pesanan anda: Rp 20.000' with 'Batal' and 'Kirim' buttons. To the right, there's a table for 'Pelanggan' (Customer) with one entry: 'lionel messi'. A summary table shows the order details:

Produk	Qty	Price
Minuman coffee	1	Rp 10.000
Minuman	1	Rp 5.000

A green 'Submit Order' button is located at the bottom right of the main content area.
